BIOGRAPHY

Chandra Anand aka DJ Chan 6'1 started off as a DJ with very little knowledge about the whole scene, but with support of his peers and senior DJs he grew to be one of the prominent names in the DJ-ing scene in Penang in the recent 10yrs. He was the instructor of Mixology DJ Academy in Penang, under the guidance of his mentor DJ Fuzz. His skills are not only limited to the decks, but is also a strong voice on the microphone, making him a versatile talent.

He has performed alongside big names in the region, including Goldfish & Blink (MY), Dj Ray Ray (TWN), DJ Tony B of "Bangkok Invaders" (BKK), opened up for VINAI, Taboo (Black Eyed Peas), Redfoo, and many more. He has also performed for Swizz Beats, Busta Rhyme & Ludacris during their tour to Penang, Malaysia.
